

# TYPICAL COSTS

The combination of tuition, fees and associated expenses at Biola University requires students to carefully calculate their financial resources and costs. The following estimated student budgets reflect the typical costs to full-time students for the 2025–26 academic year (nine months) in several of Biola's academic programs. To view the full Cost of Attendance information for all of Biola's academic programs, please view the "Biola 2025–26 Cost of Attendance by Program" document on the Financial Aid Office website (<https://www.biola.edu/financial-aid/about/disclosures/>).

## Undergraduate

(Based on 12–18 credits per semester, \$2,121/credit. Please note that select academic programs and student statuses have additional required fees not reflected below.)
