

PHILOSOPHY, B.A.

Overview

Mission

The mission of the Bachelor of Arts in Philosophy (<https://www.biola.edu/degrees/u/philosophy-ba/>) is to foster a community of Christian scholars apprenticed to Jesus in the pursuit of theoretical and practical wisdom.

Degree Program

A Bachelor of Arts degree in Philosophy is offered upon completion of the University baccalaureate and major requirements.

Students who declare philosophy majors during their freshman year are expected to take PHIL 210 and PHIL 230 by the end of their sophomore year. Students who declare the major later are expected to take these courses during their first two semesters in the program.

The Philosophy major may be taken as pre-professional preparation for careers in such fields as law, education and the ministry, or as preparation for graduate study in philosophy.

Learning Outcomes

Program Learning Outcomes

Upon completion of the Bachelor of Arts in Philosophy, students will be able to:

1. Discuss, explain, and evaluate the key ideas and arguments in the history and main divisions of philosophy (ULO 1).
2. Employ the skills of philosophical reading, writing, and argument (ULO 1).
3. Apply insights from the world's wisdom traditions to their practice of the teachings of Jesus (ULO 2 and 3).

Each Program Learning Outcome (PLO) listed above references at least one of the University Learning Outcomes (ULO 1, 2, 3), which may be found in the General Information section (<https://catalog.biola.edu/general-information/#UniversityLearningOutcomes>) of this catalog.

Prerequisites are at least nine credits of philosophy, either upper or lower-division, or consent of the department chair. During the academic year in which the third and final oral exam will be taken, students should enroll in PHIL 351.

Course Sequence

NOTE: The course sequence table is designed by the major department and is one way that the classes will work out properly in sequence for your major. However, there are alternative or flexible ways to rotate some of the classes within the same year/level and sometimes between year levels. Please contact your major department advisor to discuss flexible alternatives in scheduling the sequence of your classes.

Taking coursework during the summer session may also be an option to accelerate your degree path.
