

# POLITICAL SCIENCE MINOR

---

## Mission

The mission of the Political Science program is to educate Christian men and women in political science in order to produce thinking Christians who demonstrate a broad understanding of the art and science of politics, based on a biblical foundation and worldview; who understand and apply biblical knowledge, Christian virtues, and ethical principles to politics; and who demonstrate entry-level professional skills necessary for success in politics and related fields.

## Curriculum Requirements

A Political Science minor (<https://www.biola.edu/degrees/u/political-science-minor/>) is offered with the completion of 18 credits beyond the Core Curriculum requirements (listed under Political Science, B.A. (<https://catalog.biola.edu/shss/POSC-ba/>)), 6 of which must be upper-division.
