

MISSIONS AND INTERCULTURAL STUDIES FOR TALBOT

ISCL 791		1-2
ISCL 861	Alternative Delivery Systems in Education	3

Objectives

Christian leaders today, whether working in their own country or in another country, are usually working in cross-cultural contexts. Leaders must be prepared with ministerial skills that will enable them in penetrating and leading effectively in the midst of ethnic complexity and multiculturalism. Christian leaders must be able to exegete the scriptures and exegete the social context in which they work. The Missions and Intercultural Studies program of Talbot provides the M.Div. student an opportunity to study with theological and missiology faculty. This program is designed to provide training based on sound biblical and missiological principles that have been proven valuable in missions, pastoral leadership, cross-cultural ministry and human service.

Any Talbot student may take elective courses in missions and intercultural studies from the following list.
